

OSAT (On Site Assessment and Training) NVQ LEVEL 3 (Site Supervision)

HOW ON-SITE ASSESSMENT AND TRAINING WORKS

OSAT is a fast tracked route to an NVQ. Funding is available for those who meet the eligibility criteria. An assessor visits your staff on-site and identifies the skills they already have.

The assessor develops an action plan to fill any gaps.

Typically, the whole process takes approximately 3 - 6 months, depending on how experienced the worker may be.
